ATI Web Committee Meeting

October 7, 2014

Riny Ledgerwood rledgerw@mail.sdsu.edu
Marc Pastor mpastor@mail.sdsu.edu
http://access.sdsu.edu/
Agenda

• Opening Remarks – Kent

• ATI Roadmap Status, Changes and Feedback – Marc

• Campus Website Accessibility Statements
  o CSU Recommendations – Riny
  o Sample sites – Marc

• Any suggestions for future meetings?
ATI Online Roadmap

• 79%, or 172 out of 218 sites completed their ATI Roadmap

• Mid-Year Campus Scan (Level 1) in January 2015

• Future Changes: Comment field, better explanation of false errors, noting alternative accommodations for proprietary or vendor sites

• Any Feedback?
Which of the following categories best describes your website?

- Organization - Professional, or Academic: 6
- Institutional - www.sdsu.edu: 11
- Division or College: 35
- Department, Center or Institute Count: 97
- Campus Project or Initiative: 15
- Auxiliary: 7
How critical is this website to your organization's business/mission?

- Nice to Have: 21
- Legacy Site: 22
- Important: 61
- Mission Critical: 67
Estimated timeline to repair website and bring it to 100% compliance

- Legacy site to be taken down: 25
- 6 months or more: 49
- 3 months: 37
- 1 month: 28
- 1-2 weeks: 29
Upcoming ATI Web Deadlines

October 3, 2014
Deadline for online Roadmap submission for all websites with less than 100% passing score on annual scan.

October 17, 2014
Each College or Division will receive compiled Roadmap entries for their area from the ATI Team (through each area Vice President who will then disseminate to each college and departments).

November 1, 2014
Deadline for Colleges/Divisions to submit the ATI Exemption Authorization Form along with a Roadmap representing all departments within the College/Division to the ATI Sponsor. Please note that only one Exemption Form is required for each College or Division based on the July 1 scan results. The Exemption Form submission will be done online using Adobe EchoSign.

  - Chris Friedl cfriedl@mail.sdsu.edu, Ext. 4-4275
Campus Website Accessibility Statement

CSU ATI Recommendations
Purpose of Accessibility Statement

• A clear **statement of commitment** to ensuring equal access for all users

• A mechanism that allows users to provide accessibility **feedback**

• Links to **resources** (internal or external) that provide additional or related information
Commitment Statement

• Clearly convey your awareness of IT accessibility matters

• Emphasize your commitment to ensuring universal access to your IT product/service
Feedback Mechanism

Provide a specific mechanism for users to contact you in order to:

- Request accessibility-related assistance
- Report accessibility problems
- Request information in accessible alternate formats (e.g. large-print)
Implementation Recommendations

Working Examples from the CSU
Implementation Recommendations

Provide a hyperlink that points to the Accessibility Statement and meets the following criteria:

- Descriptive (e.g. ‘Accessibility’ or ‘Disability Access’)
- Prominently positioned (e.g. on the landing page, help/support page, and/or site map)
- Easily identified (e.g. adequate text size and color/contrast, not the last link in a complex page)
Accessibility Statement Examples

• CSU Sacramento: http://www.csus.edu

• CSU Fresno: http://www.fresnostate.edu

• Chancellor’s Office: http://www.calstate.edu
Thanks!
