When Was the Last Scan Run?

Sites to follow-up and look into!
Which Scan is Being Run?

![Bar chart showing the percentage of sites scanned for Section 508 and CSU ATI Requirements over three different dates: April 7, May 2, and June 2.]

- April 7: 59% of 138 sites were scanned for Section 508, and 41% were scanned for CSU ATI Requirements.
- May 2: 22% of 264 sites were scanned for Section 508, and 78% were scanned for CSU ATI Requirements.
- June 2: 13% of 294 sites were scanned for Section 508, and 88% were scanned for CSU ATI Requirements.
Health Score* of 294 Sites Running CSU ATI Requirements Scan

*Yes, the Health Score is not the best measure
The Upcoming ATI Scan, Reporting and Roadmap

Important Dates, Instructions
Important ATI Web Dates

**July 2014** - SDSU ATI Team will run an annual scan of all SDSU web pages using the Compliance Sheriff - CSU ATI Requirements checkpoints (Level 1 crawl).

**August 1, 2014** - Departmental scanned results will be posted on SDSU ATI website: access.sdsu.edu/baseline/. These results will also be distributed to each area Vice President (who will then disseminate to each college and departments).

**August 1 – October 31, 2014** – Site owners with less than 100% passing scores must complete an ATI Web Roadmap form to document the plan to fix errors (with notes for false errors) and identify equally effective alternative access. Each College or Division must coordinate and compile the information provided by site owners into one Roadmap.

**November 1, 2014** – Deadline for Colleges/Divisions to submit an ATI Exemption Authorization Form along with a Roadmap representing all departments within the College/Division.
Key Points to Remember

● For websites less than 100% compliant, the site owner is responsible for developing a Roadmap.
● The purpose is to provide accountability and track progress, as well as document alternative workarounds or accommodations.
● Priority should be given to heavily visited websites.
● Take down pages that are no longer needed or hardly used.
● Completed Remediation Plans must be signed by the Department Head or Dean and countersigned by the area Vice President annually.
Thanks!

Only 19 working days until the ATI Baseline Scan!
